Issued at **Helsinki** on **28 January 2023**

*The undersigned declares that he is duly authorized by the said Government to issue this certificate.*

Magnus Backstrom, Surveyor

**NIPPON KAIJI KYOKAI**

**Note: This ship also complies with the Resolution MSC.143(77).**

**This certificate was issued due to change of Flag, Owner and Name**

## Notes:

1. When a ship departs from a port situated on a river or inland waters, deeper loading shall be permitted corresponding to the weight of fuel and all other materials required for consumption between the point of departure and the sea.
2. When a ship is in fresh water of unit density the appropriate load line may be submerged by the amount of fresh water allowance shown above. Where the density is other than unity, an allowance shall be made proportional to the difference between 1.025 and the actual density.
- 3) Insert the date of expiry as specified by the Administration in accordance with article 19(1) of the Convention. The day and the month of this date correspond to the anniversary date as defined in article 2(9) of the Convention, unless amended in accordance with article 19(8) of the Convention.

LL-88P(PAN) (06.01)
